If you've been looking for the perfect home in the perfect neighborhood, you have found it here! Located near the beloved and historic downtown Winter Garden area, you'll find this stunning home. This home has an incredible solar system that offsets most of the power bill, it also has solar attic fans, a solar pool heater, and an electric pool heater. The windows have been replaced with insulated double pane windows. The gourmet kitchen has been beautifully remodeled with imported Italian cabinets and exotic granite countertops. The appliances are stainless steel commercial-grade Viking appliances. You can't get any more top of the line. The dishwasher is ultra-quiet and fast. The floorplan is absolutely excellent. In addition to the 4 large bedrooms and 2 bathrooms, this home also features an office, living room, family room, formal dining room, inside laundry, and an expansive Florida room overlooking the beautiful screened-in pool and all of it is under central heat and air.
