This beautiful corner-lot bungalow has been completely updated, but all of its original 1920s charm still comes shining through. Let's start on your welcoming front porch, which is screened in and offers lots of space to relax. Step inside to find wonderful historic details like hardwood floors, 5-panel doors, classic Craftsman windows, custom built-ins, covered & beadboard ceilings as well as French doors. Your kitchen has been updated with new flooring, stainless steel appliances, granite countertops and a subway tile backsplash. Just off the kitchen, there's the all-important laundry/mudroom that leads to the backyard and the detached 2-car garage. Back inside, the master ensuite was given a complete facelift, with new flooring, a new vanity and a custom-tiled shower with a built-in niche. Across the hall, two of the guest rooms feature multiple walls of windows, while the family bathroom includes the original cast-iron tub. Leesburg is a great community located between Lake Harris and Lake Griffin. You'll be close to schools and shopping, with the Turnpike just a few minutes away. Florida is attracting new sun-loving, tax-loathing residents every day, so schedule your tour of this MOVE-IN-READY home right now!
